

NCAA CERTIFICATION REQUIREMENTS

ONLY NEEDED FOR NCAA EVENTS.

- The USAB link to be used for renewing an existing USAB gold license or for obtaining a USAB gold license for the first time: <http://www.usab.com/youth/development/coach/process-for-becoming-a-licensed-coach.aspx>.
- Coaches and athletes should RENEW their previously created BBCS account and NOT create a new account. This is done by logging into their existing account and updating the information on their profile rather than selecting Register as a New User button.

NCAA CERTIFIED COACHES:

- Any person wanting to coach or be on the bench MUST be NCAA Certified. If you aren't, you won't be allowed to coach or be on the bench. Please take care of this ASAP as it can take 7-10 days or more. Visit <https://community.usab.com> to begin the Coaching Certification Process. All coaches must also have a BBCS profile (<http://bbcs.ncaa.org>).

ROSTER SUBMITTED TO NCAA WEBSITE:

- EVERY athlete must also be registered in the BBCS before they can participate in this event. For adult BBCS registration, see page 38 of the ECAG user manual. For athlete BBCS registration, see page 31 of the ECAG user manual. For team building instructions, start on page 45 of the ECAG user manual. The ECAG user manual can be found online at www.ncaa.org/basketballcertification.
- All teams must have their roster on the NCAA BBCS website. Teams that don't have this done before the deadline will NOT be allowed to play in the event. Visit <http://attacktournaments.com> for deadlines. To create a roster on the BBCS website, visit <http://bbcs.ncaa.org>. Only coaches and players on the BBCS roster will be allowed to participate during event.
